ABOUT EDLOCATE

Edlocate is a leading student recruitment organization and University representative in Sri Lanka and Maldives. It was established in the year 2000 and has a proud history of providing high quality professional services to students who wish to undertake tertiary studies overseas.

Edlocate represents a mix of some of the world's top Universities and other educational institutes in Australia, New Zealand, Canada, UK, Ireland, Malaysia and Vietnam.

We assist students:

- To enrol in a wide range of Undergraduate and Postgraduate courses available in these Universities that have a high demand in the current global job market.
- To enrol directly or through University recognized Foundation and Diploma pathway programs to corresponding degree courses.

Our services include:

- ✓ Complimentary counselling from career guidance to selection of ideal course, country, institution to study and pathways to degree courses – all by experienced student counsellors who are mature, well educated and trained in most of these Universities we represent.
- ✓ Promoting high achieving students to secure University scholarships for both Undergraduate and Postgraduate studies.
- ✓ Assisting through comprehensive and confidential discussions with students / parents regarding their capabilities to undertake studies abroad without undergoing financial difficulties and advising best practical ways to handle these requirements.
- ✓ Handling from student placement to enrolment and visa formalities to ensure on-time commencement of studies all free of any professional fee charged.
- ✓ IELTS/ PTE/ OET coaching to students before enrolment, in person through small group classes in our offices.
- ✓ IELTS/ PTE/ OET coaching on line to students overseas.

WE OFFER THROUGH A NETWORK OF IN-COUNTRY REPRESENTATIVES

Advice and assistance to all students placed by us to resolve academic related issues, visa renewals and guidance for post study requirements through our in-country representatives assisted by our International office based in Australia.

WE OFFER ASSISTANCE THROUGH OUR ASSOCIATE COMPANY PAC ASSOCIATES AND THE MIGRATION AGENTS IT WORKS WITH, FOR STUDENTS;

- To apply on-shore for student visa extensions.
- To apply for student dependant visa and visa for accompanying family members.
- To apply for post study work visa and other substantive visa upon completion of studies.
- Visit visa for family members on subsequent visits.

“All at very special rates”

We take great pride in having a history of over 2 decades – providing high quality student services which have made us a leading foreign University representative in Sri Lanka and Maldives. Many thousands of students have utilized our services to reach their dreams of graduating with a world class degree without hassle and entering rewarding careers.

The program is structured for students to lodge applications for placement through Edlocate after completing the 2nd year at CINEC and join UniSA the following year in February. Scholarships are available for students with high GPA.

Advantages of doing Tertiary Studies Overseas

- Students can complete the degree courses in time without any disruption due to sudden University closures.
- Students can study without fear of being subjected to undue harassment by senior students.
- Whilst studying the students have the rights to do casual work to earn living expenses in all countries except in Malaysia and Vietnam.
- The degrees offered have international recognition.
- Following the graduation, all countries except Malaysia and Vietnam offer eligible valuable work experience.
- Opportunities are available for students desirous of living and working on permanent basis in countries other than Malaysia and Vietnam upon graduation.
